HEALTH AND SAFETY POLICY STATEMENT

BFS Enterprise (Fabrications) Limited & Eng-tech (pgp) are committed to providing a safe and healthy working environment for employees, contractors and others and to satisfy our statutory and legal obligations in all matters relating to Health and Safety. The directors also recognise that good Health & Safety practices contribute to the success and sustainability of the organisation and the effectiveness and well-being of their employees.

Through implementation of this policy we are committed:-

- o To provide adequate control of the Health and safety risks arising from our work activities.
- o To consult with our employees on day to day Health and safety Conditions/matters.
- o To provide and maintain safe plant & equipment and safe systems of works
- o To ensure safe Storage & handling use of substances.
- o To provide clear instructions, information and supervision to employees & Contractors.
- o To ensure all employees are competent to do their tasks
- o To prevent accidents and cases of work related ill health.
- o To Provide regular Auditing & safety inspections of the site.
- o To maintain safe and healthy working conditions.
- o To Provide Protective clothing & other protective safety equipment.
- o To ensure that risk assessments are carried out to workplace activities
- o To Monitor performance and record where necessary
- o To provide adequate welfare facilities for all

It will be communicated within the organisation through line management, with ultimate accountability resting with myself. All necessary resources required to implement and enforce our policy will be made available.

Everyone is requested to co-operate fully in the implementation of this policy. It is by highlighting any hazards or risks that together we will fulfil our Health & Safety policy intentions. If any breaches of the policy are made this will be treated as a disciplinary offence.

The ultimate responsibility for Health and Safety within our company lies with the Managing Director.

Employees have a duty to:-

- o Co-operate and assist with the implementation of the Health & Safety Policy and associated procedures.
- o Take responsibility for their health and safety and that of others who may be affected by what you do.
- o To comply with the policy and procedures and report any issues or concerns that they have.
- o Health and safety policy (latest revision) available to all. Please see your line manager
- o Follow Training guidelines you received, to enable you to do your job in a safe manner.

This policy and the Health & Safety Management System shall be reviewed annually or earlier following a significant change in working practises of activities.

Martin D E Spence
Managing Director
