HEALTH AND SAFETY POLICY STATEMENT

BFS Enterprise (Fabrications) Limited is committed to providing a safe and healthy working environment for employees, contractors and others and to satisfy our statutory and legal obligations in all matters relating to Health and Safety. The directors also recognise that good Health & Safety practices contribute to the success and sustainability of the organisation and the effectiveness and well-being of their employees.

Through implementation of this policy BFS Enterprise (Fabrications) Limited is committed:-

- To provide adequate control of the Health and safety risks arising from our work activities
- To consult with our employees on matters affecting their health and safety
- To provide and maintain safe plant and equipment
- To ensure safe handling and use of substances
- To provide information, instruction and supervision to employees
- To ensure all employees are competent to do their tasks, and to give them adequate training
- To prevent accidents and cases of work related ill health
- To maintain safe and healthy working conditions
- To review and revise this policy as necessary at regular intervals

Our Health & Safety policy is of equal importance with all other business policies and it will be reviewed annually to ensure continued effectiveness. It will be communicated within the organisation through line management, with ultimate accountability resting with myself. All necessary resources required to implement and enforce our policy will be made available.

Everyone is requested to co-operate fully in the implementation of this policy. It is by highlighting any hazards or risks, which appear to be inadequately controlled, and by taking remedial action, that together we will fulfil our Health & Safety policy intentions.

The ultimate responsibility for Health and Safety within BFS Enterprise (Fabrications) Limited lies with the Managing Director.

Employees have a duty to:-

- Co-operate and assist with the implementation of the Health & Safety Policy and associated procedures.
- Take responsibility for their health and safety and that of others
- To comply with the policy and procedures and report any issues or concerns that they have and any un-safe conditions they are aware of.

This policy and the Health & Safety Management System shall be reviewed annually or earlier following a significant incident or a change in working practises of activities.

Signed.....*Mark Pennington*.....
